ROBERT D. DENNIS, CLERK
U.S. DIST. COURT, WESTERN DIST. OF OKLA.
BY CS DEPUTY

Rayford R. Bonner II

Plaintiff,

vs.

Joseph H. Lester, Sheriff et al.
Defendants.

Case no. CIV-11-95-B

Motion

Response

The Plaintiff Rayford Bonner II does not desire to drop or dismiss any filings of this case. I have Proof that I have tried to serve Susan Caswell by mail see copy of receipts by mail I will have more Proof such as pictures of me and James Jordanoff chained to the floor against our mental disabilities. I have tried to get court documents of the case But was not able to get any! So all I have is my Word. Ask Kantee Sorrell. As I respond I have no Proper means of responding Properly to the court. May I have the appointment of Counsel. I Just received The Motion To Dismiss. I have not contacted anyone. I need guidance now I have knowledge of The Attorney David J. Patton. My address has not change since I have filed this case CIV-11-95-B. I have done as Instructed. But They say I have not Properly Served Susan Caswell. Well I have Proof.

Sorry Your Honor I don't have Proper Knowledge to Defend
 myself. And I don't have Time nor the finances to fight this
 in a Proper manner seen Just by the Court! When I was in
 the County Jail, My mail was tampered with My Legal Mail, and
 It had been opened and Law books that could be used to reason
 Proper was denied. Paperback at the time approved but the
 federal rights civil Procedure was denied a book given back
 to Glenda King, James Jordanoff's Grandmother. Many things were
 Documented such as The Federal Court being told Bradford R.
 Bonner II and James Jordanoff are no longer at the detention
 center. So that's what happened to our first filings and they never
 Completed their Part so we could finish filing from Jail.
 The financial Part to get you approved for the IFP! Well
 Since being in Jail on something I didn't do I got charges
 Put on me of Assault and Battery on Police officers. That changed
 to resisting arrest. So My mental thinking is severe Paranoid. I
 I always Think people are trying to plot on me and send me to Jail.
 I need my meds but it is hard to go to Dr Gray and relive
 A time That Took everything from me Due to racism and an unholy
 Win to Put Them Ahead and do away with my life. My Record is
 Ruined and I can't see my Kids without their Mothers Thinking I
 may Hurt my own Child. I Love Kids and It hurts that I can't
 see my own Kids. To my knowledge Judge Lucas has been asked to
 Step down! He was The Judge on my case. And I am Ready To go
 with what I have to show I am Good and Not a Sex Offender. Utterly
 Gross not able to Control Human Nature. By the Book of Legal Ways!
 Again In Court The Tape recording, abbott house Interview, and Police
 had been changed If I could get my hands on it I would show
 you! So Again I do not desire To Drop or Dismiss anything of this
 case. I filed grievance Administrative relief and was ignored until FBI
 Agents came for A visit. That next Day we were in "F" POD! James is a
 eye witness. He will feel good to know The way we were done is not
 Constitutional or Good By any Law!

By Cause of this action. I thought I did ~~ente~~ a
cause of action. Judge David L. Russell. Please instruct
me to do so and I will do all that is required to show all
truth of what I know to be true on my behalf. I refuse to
start lying or say I have not received any mail from them!
I'm not here To Play Games with your court, or waste time.
So to say that I have not properly tried to do as asked by you
is not true because I have Proof unlike Susan Casswell!

I Declare Under Penalty of Perjury That the
Above Information is True and Correct Pursuant to
28 U.S.C. § 1746, 18 U.S.C. 1621.

Sincerely

Rayford Bonner
